

NO PAYMENTS AND NO INTEREST UNTIL JULY*

Western Equipment Finance has partnered with The Curb Depot to support your business. Make your equipment purchase now and make no payments with no interest until July.

Western Equipment Finance is a bank-owned, direct lender which provides financing solutions to businesses across the nation. Since 1990, we've developed finance and lease programs that deliver results. We underwrite, fund, and service in-house. You can depend on us from start to finish.

Our nationwide partnership program includes:

Up to \$250,000 Application-Only*

One-page application, available online or over the phone, for up to \$250,000 in financing.

Flexible Financing Terms

Align your financing with your business goals. Contact Derick to learn more about term options.

Credit Decision in 1-2 Hours

Quick processing and streamlined funding means you get your equipment fast.

Soft Inquiries on Business Principals

Western specializes in commercial lending. The credit profile on business owners is reviewed as a soft pull, without impacting bureau scores.

Electronic Signatures and Remote Funding

DocuSign available for electronic signatures and funding through email or faxed copies.

*On Approved Credit (OAC), loan must be approved by 6/30/2025
